40TH ANNUAL
NEURO-AUDIOLOGY SEMINAR
IN SAVANNAH, GEORGIA

Pediatric Assessment and Management Update

ST. JOSEPH’S/CANDLER
Center for Oto-Neurology

SEMINAR AT
St. Joseph’s Hospital
Savannah, GA

SEMINAR DATES
April 12-13, 2019

ABOUT THE SEMINAR PROGRAM

The Center for Oto-Neurology at St. Joseph’s/Candler is proud to sponsor our 40th Annual Neuro-Audiology Seminar. The Center was established in 1977 and includes Audiology, Speech/Language Pathology, EEG, Vestibular/Balance Rehabilitation, and a Movement Disorders Program.

Our meetings have acquired unique popularity in that we not only emphasize practical clinical knowledge and feature a nationally recognized speaker but also incorporate the “Charm of Savannah” into our planned activities.

This year’s seminar is designed for physicians and audiologists with a goal to improve skills in diagnostics and management of hearing loss in the pediatric population.

COURSE OBJECTIVES:
At the completion of the seminar the participant will be able to:

1. Describe the components of a successful program for managing infants and young children with hearing loss.
3. Identify three electrophysiologic test techniques that will aid in the correct diagnosis of auditory neuropathy spectrum disorder.
4. List three characteristics of hearing loss due to enlarged vestibular aqueduct syndrome.
THE SEMINAR PROGRAM
FRIDAY, APRIL 12, 2019
SPEAKER: PATRICIA ROUSH, Au.D.
8:00 am - Bus leaves Staybridge Suites for St. Joseph’s Hospital
8:30 Registration
8:45-9:00 Welcome
9:00-10:30 Comprehensive Diagnostic Hearing Assessment in Infants and Young Children
- Strategies for optimizing electrophysiological assessment
- Techniques for improving behavioral audiometry in infants and toddlers
10:30-10:45 BREAK
10:45-12:15 Management of Hearing Loss in Special Populations
- Management of children with complex needs (e.g., CHARGE, Down syndrome)
- Cytomegalovirus (CMV)
- Enlarged vestibular aqueduct (EVA)
12:15-1:15 Lunch – (provided)
1:15-2:45 Management of Hearing Loss in Children Part II: Cochlear Implants
- Candidacy
- Speech perception measures
2:45-3:00 BREAK
3:00-5:00 Auditory Neuropathy Spectrum Disorder: Diagnosis and Management
- Ecology and associations
- Variations in presentation of ANSD
- Counseling families
5:00 Bus leaves St. Joseph’s Hospital to return to hotel
6:30 Meet in the Lobby of Staybridge Suites for tour and dinner
SATURDAY, APRIL 13, 2019
8:00 am - Bus leaves Staybridge Suites for St. Joseph’s Hospital
8:30-8:45 Welcome
8:45-9:15 Medical Evaluation of Cytomegalovirus and Implications to the Auditory System.
- Dr. Michael Zoller
9:15-10:45 ANSD Case Studies
- Management when ABR results are atypical
- Whole exome sequencing and ANSD: A case study
- Participant cases: questions and discussions
10:45-11:00 BREAK
11:00-12:30 Management of Hearing Loss in Special Populations
- Management of children with complex needs (e.g., CHARGE, Down syndrome)
- Cytomegalovirus (CMV)
- Enlarged vestibular aqueduct (EVA)
12:30-12:45 Course Evaluation and Post Test
12:45 Bus leaves for Staybridge Suites
EVENING ENJOYMENT
Meet our guides in the lobby of the Staybridge Suites at 6:30pm where they will lead us on a historical walking tour of Savannah. We will end our walking tour at the Pirate’s House for dinner with a Southern flair. What a great way to spend the evening after a day of learning!
ACCREDITATION
St. Joseph's/Candler is approved by the American Academy of Audiology to offer AACEUs for this activity. The program is worth a maximum of 1.0 CEUs. Academy approval of this continuing education activity is based on course content only and does not imply endorsement of course content, specific products, or clinical procedure, or adherence of the event to the Academy’s Code of Ethics. Any views that are presented are those of the presenter/CE Provider and not necessarily of the American Academy of Audiology.

SEMINAR FACULTY
Patricia Roush, Au.D.
- Dr. Roush is Professor in the Department of Otolaryngology, Head and Neck Surgery, University of North Carolina School of Medicine in Chapel Hill, North Carolina and Director of Pediatric Audiology at North Carolina Hospitals where she specializes in working with newly identified infants and young children with hearing loss and their families. Dr. Roush has published extensively in pediatric audiology and has lectured nationally and internationally on a variety of topics related to hearing loss in children. Her primary areas of expertise are pediatric hearing assessment, amplification for children, and epidemiological assessment and management of auditory neuropathy spectrum disorder.

Michael Zoller, MD, F.A.C.S.
- Dr. Zoller is the Otolaryngology Medical Director of the Center for OtoNeurology at St. Joseph’s/Candler. He received his M.D. from Tulane University School of Medicine, trained in surgery at Washington University School of Medicine and completed his ENT residency at Harvard Medical School. He is also Clinical Professor of Otolaryngology/Head and Neck Surgery at the Medical College of Georgia and Clinical Professor of Surgery at Mercer University School of Medicine.

REGISTRATION
Registration is limited to 50 participants, please register early. Registration includes continental breakfasts, lunch/Venue on Friday/Saturday, bus transportation to/from St. Joseph’s Hospital as well as the Friday evening tour and dinner. For those not registered for the seminar but wish to be included in the Friday evening event, there is an additional fee of $50.
To register online, please visit sjchs.org/neuro-audiology-registration
Phone registration: please call Center for Oto-Neurology (912) 819-2479

REGISTRATION BY MAIL
Clip and Return to: Center for Oto-Neurology • St. Joseph’s Hospital
11705 Mercy Boulevard • Savannah, GA 31419
PH: (912) 819-2479

*Make checks payable to Center for Oto-Neurology.

NAME/ADDRESS:

MAILING ADDRESS:

CANCELLATION AND REFUNDS:
Cancellations received by March 29th will be recognized by a full refund. Cancellation notifications postmarked after March 29th are refunded at 50%.

HOTEL RESERVATIONS:
A block of rooms has been reserved at Staybridge Suites Historic District- 301 East Bay Street. Cutoff date for room availability is March 11, 2019. Ask for St. Joseph’s/Candler Oto-Neurology Conference when making your reservation. Please contact Hotel for availability before registering for the Seminar as rooms are limited and may sell out.

Staybridge Suites Historic District rate: $199.00 plus tax. PH: 912-721-9000
